

Magnum PRO XL Half Rack

MG-PRO690EX

Choose the open design of our Magnum PRO XL Half Rack for a heavy-duty training option that's easy to access for your users and easy to optimize for your needs. Maximize exercise variety by attaching options and training components to all four sides of the uprights, configure the rack to your space by expanding in any direction, and count on the legendary durability of everything Magnum to stand up to constant hard use.

- Open-front design gives users freedom of movement
- J-hooks made of high density polyethylene (HDPE) to protect bar knurling from scratches
- Includes adjustable safety arms, j-hooks, angled pull-up bar, 8 bolt-on weight storage horns (4 per side) & 2 fixed weight storage horns for smaller weights (top).
